Park School Family Book Group

The Park School Family Book Group will be reading **The Wheel on the School** by Meindert De Jong for our Tuesday, March 2nd meeting at 6:30 p.m. Here's a description from the publisher.

“Why do the storks no longer come to the little Dutch fishing village of Shora to rest? It was Lina, one of the six school children who first asked the question, and she set the others to wondering.

And sometimes when you begin to wonder, you begin to make things happen. So the children set out to bring the storks back to Shora. The force of their vision put the whole village to work until, at last, the dream began to come true.” This book was a winner of the 1955 Newbery Medal. You can get books from Mrs. Berchenbriter in Room 105. New

Important Information!
Class Placement for 2010-11

Many parents have been asking about how students will move to their next grade configuration for the coming year. Students will move as cohorts into the next year, unless we get a statement in writing from parents as to a different placement. This means that the kindergarten class will be split into two groups and half will go to Dundas/Hill and the other half to McCleary/Berchenbriter. The Rowland/Ourth class will all move upstairs with Sarah and Angela unless we have something different in writing from you. The McCleary/Berchenbriter students from this year will move upstairs to the Ahrndt/Beamer classroom without a written change from parents. The Christensen/Williamson class will move together to Jennifer and Kala's new room, unless parents request otherwise. The Ahrndt/Beamer class will move as a group to the McIntyre/Rush classroom unless parents make a different request in writing. If you do not want these pre-assigned rooms, you will need to make that request in writing.
