

### In District Job Opportunities

We are excited to announce a number of vacant positions available exclusively to current NCSD employees.

- Go to [natronaschools.org](http://natronaschools.org) and click “Careers” in the upper right-hand side.

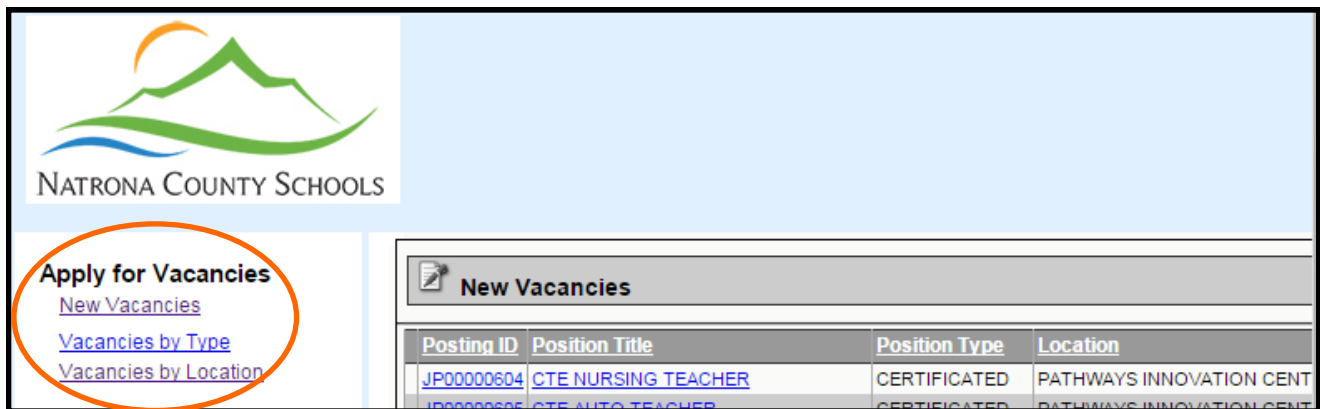

- Click “Log In” in the bottom left-hand side and login with your employee ID and password (same as your Employee Online credentials).

*Note: Look in the bottom left corner to ensure you are logged into Recruitment. You may need to login again, with your employee number and password, to view all in-district positions. If you are viewing positions without logging in you will not be able to view all available vacancies and will only see external postings.*

- Next click one of the options under “Apply for Vacancies” on the left side navigation bar. You will now be able to view all available in-district vacancies.

Please continue to look on recruitment management because many new vacancies will be posted and only available for current NCSD staff. Please call 253-5225 if you are having problems logging in and we will be happy to assist you.
