

Head Custodian-Secondary

Purpose

The job of Head Custodian-Secondary is done for the purpose/s of supervising the custodial and maintenance services at a Secondary School; coordinating the building and grounds maintenance needs with central maintenance and custodial personnel; assisting with the supervision and support of assigned personnel in the performance of their job functions; and serving on assigned school's leadership team. This job reports to Principal.

Essential Functions

- Assists the Administrative Manager and/or Administrator with supervision of assigned personnel (e.g. hiring, evaluating, terminating, scheduling and coordinating/reviewing activities, professional development/training, advising, etc.) for the purpose of maximizing the efficiency of the workforce, meeting legal requirements and department/district objectives, and ensuring the provision of excellent customer service.
- Determines the type of materials, equipment, supplies to be used or purchased (e.g. procures needed items, orders supplies, etc.) for the purpose of ensuring the availability of items as needed to complete projects and properly maintain facilities.
- Estimates time and material costs for the purpose of providing necessary information for making decisions and/or taking appropriate action.
- Facilitates and makes recommendations (e.g. member of building leadership team, improvements to assigned facilities, etc.) for the purpose of delivering services in conformance with established guidelines and District objectives.
- Inspects school or district facilities (e.g. buildings, grounds, playground equipment, swimming pools, etc.) for the purpose of ensuring that the site is suitable for safe operations, maintained in an attractive and clean condition, and/or identifying/reporting necessary repairs due to vandalism, equipment breakage, weather conditions, etc.
- Maintains manual and electronic documents, files and records (e.g. inspection records, time sheets, work orders and requisitions, supplies, chemical storage, crisis management data, key controls, etc.) for the purpose of documenting activities and ensuring an up-to-date reference.
- Manages budgets (e.g. develops, plans, controls, and coordinates within department and with others in subdivision, etc.) for the purpose of achieving department objectives and District goals within budget and with a maximum of efficiency.
- Monitors and implements processes for the purpose of ensuring compliance with legal and administrative requirements.
- Performs the full range of custodial duties (refer to custodial job descriptions) for the purpose of ensuring an efficient and effective work environment.
- Performs routine preventative maintenance tasks on heating, electrical, air conditioning and water equipment (e.g. resetting controls, changing filters, etc.) for the purpose of ensuring equipment is in proper working condition.
- Prepares written materials (e.g. work orders, requisitions, evaluations, personnel records, inspection records, snow removal records, etc.) for the purpose of documenting activities, providing written support and/or conveying information.

- Responds to immediate safety and/or operational concerns (e.g. facility damage, injured and ill students, unauthorized persons, alarms, etc.) for the purpose of taking appropriate action to resolve immediate safety issues and maintaining a functioning educational environment.
- Supervises arrangements for special events (e.g. rooms, furniture, and equipment, etc.) for the purpose of ensuring the provision of adequate facilities, materials, and equipment for meetings, classroom activities and events.

Other Functions

- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.

Job Requirements: Minimum Qualifications

Skills, Knowledge and Abilities:

SKILLS are required to perform multiple, technical tasks with a need to occasionally upgrade skills in order to meet changing job conditions. Specific skill based competencies required to satisfactorily perform the functions of the job include: operating equipment used in industrial maintenance including electrical cleaning equipment, common tools, etc.; and adhering to safety practices.

KNOWLEDGE is required to perform algebra and/or geometry; read technical information, compose a variety of documents, and/or facilitate group discussions; and solve practical problems. Specific knowledge based competencies required to satisfactorily perform the functions of the job include: methods of industrial cleaning; safety practices and procedures; health standards and hazards; and principles of lead supervision and training.
