It's almost football season! Get your youngsters involved in flag football at the Boys & Girls Clubs of Central Wyoming.

This recreational league emphasizes learning the basic skills of football, sportsmanship, teamwork, healthy lifestyles and having fun. Flag football gives youth a chance to work on skill fundamentals and mechanics without the potential of contact through tackles.

Teams are formed based on schools and grade levels.

Practices and games will be held on the outfields of George Tani and North Casper softball/baseball fields. Coaches will contact players to alert them of location and time of first practice.
