

DEAN MORGAN DESIGN TEAM

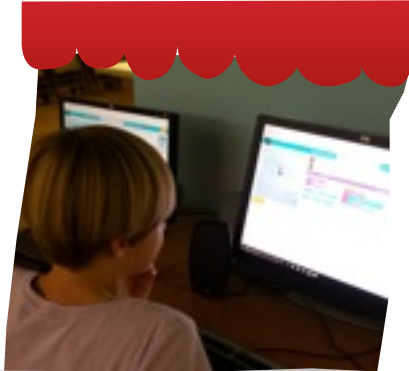

Learn to use power tools with our Engineers!

- **When:** M-F 3:15-5:15 PM
- **Grades:** 6th-8th
- Develop real life skills to design solutions for everyday problems.
- **M/W Coding & Design Team** will learn the basics of different computer programs to design games, animations, 3D model, and program electronics.
- **T/Th Zoo Team** will work with our Zookeeper to learn about and care for exotic reptiles.
- **Takes place at the Science Zone**
- **Bussing is available**
- **Cost: Free for Dean Morgan students;** Other students \$25/month members, \$50/month non-member

Get to know the Zoo Zone critters!

The Science Zone exists to inspire the mind, to delight the senses and to ignite a passion for the technical arts and sciences.

Practice computer programming to create games and designs.
