

# Get hooked on some adventure this summer!

Camp Wild is an overnight camp experience for students entering 9th - 10th grade for the 2018-2019 school year.

## WYOMING GAME & FISH CAMP WILD

WHISKEY MOUNTAIN  
CONSERVATION CAMP

Each camp will focus on exploration of nature, introduction to conservation principles, practicing science, and learning new recreational outdoor activities. These camps, led by Wyoming Game & Fish Department staff, will allow campers to observe the natural world, engage in wildlife, fish, and habitat biology, and recreate responsibly in the outdoors. Each camper will need to bring proper clothing and footwear for outdoor exploration as well as a sleeping bag and other overnight gear. Meals will be provided for the duration of the camp.

### Dates for the 5 day- 4 night camp near Dubois, WY:
