

**The Next Program of the Casper Chapter of the Cowboy Future Historians with the Wyoming Veterans Museum** will meet on Saturday, March 17th at NOON  
Ages 12-18

The program topic will be  
***Military Field Rations.***

I will be presenting a program presenting U.S. Army Mess Kits from 1872 to Vietnam.

We will then be cooking actual military field rations in military mess kits... to include Slum from World War I, and Spam from World War II.

We will also have some reproduction C-Ration Food, including D-Rations from World War II; and Pound Cake from the Vietnam Era.

The food will all be safe for eating, so bring your appetites! The program will be free, and feel free to invite your friends.

Since we will be purchasing food and cooking food, I do need to know our numbers. So if you will be attending, please send me an RSVP by phone (Museum: [307-472-1857](tel:307-472-1857)) or Cell ([315-486-3034](tel:315-486-3034)), or e-mail.

Because we need a kitchen for this event we will be meeting at the at the VFW Post [9439, 1800 Beverly](#) Stock Trail, Casper Wyoming.

The VFW Post is west of Beverly Stock Trail, just north of the North Platte River bridge. They have a Huey Helicopter from Vietnam in front of their post, you can't miss it.

The Veterans of Foreign Wars Post 9439 have generously offered us the use of their kitchen for this program. I expect the program to run for two hours, and we will be responsible for cleaning up the kitchen after the program!

This should be a really fun program, and I'm looking forward to seeing everybody!
