Job Requirements: Minimum Qualifications

Skills, Knowledge and Abilities

SKILLS are required to perform single tasks with a potential need to upgrade skills in order to meet changing job conditions. Specific skill-based competencies required to satisfactorily perform the functions of the job include: adhering to safety practices and utilizing equipment found in a school cafeteria.

KNOWLEDGE is required to perform basic math; understand written procedures, write routine documents, and speak clearly; and understand multi-step written and oral instructions. Specific knowledge-based competencies required to satisfactorily perform the functions of the job include: sanitation practices for serving foods; occupational hazards and standard safety practices necessary in the area of food preparation and service; and operational characteristics of basic kitchen utensils and equipment.

ABILITY is required to schedule activities; collate data; and use basic, job-related equipment. Flexibility is required to work with others; work with data utilizing specific, defined processes; and operate equipment using defined methods. Ability is also required to work with a diversity of individuals; work with specific, job-related data; and utilize job-related equipment. Problem solving is required to identify issues and create action plans. Problem solving with data requires following prescribed guidelines; and problem solving with equipment is limited to moderate. Specific ability-based competencies required to satisfactorily perform the functions of the job include: working as part of a team; adapting to changing work environment and priorities; communicate clearly and concisely; handle money and make change; perform mathematical computations quickly and accurately; understand and follow oral and written directions; establish, maintain, and foster positive and harmonious working relationships with those contacted in the work environment; and working with children.

Responsibility

Responsibilities include: working under direct supervision using standardized procedures; providing information and/or advising others; and operating within a defined budget. There is a continual opportunity to impact the organization's services.

Working Environment

The usual and customary methods of performing the job's functions require the following physical demands: significant lifting, carrying, pushing, and/or pulling; some climbing and balancing; frequent stooping, kneeling, crouching, and/or crawling; and significant fine finger dexterity. Generally the job requires 0% sitting, 50% walking, and 50% standing. The job is performed under some temperature extremes and under conditions with exposure to risk of injury and/or illness.
