

MAKE A DIFFERENCE WHILE HAVING FUN!

VOLUNTEER AT WALK MS®

Each year, thousands of people across the country join the Walk MS volunteer team. From serving on planning committees to providing safety and support for riders at the event, volunteers make Walk MS happen!

Join Us!

When you volunteer, you become part of the MS movement – a collective of passionate individuals, moving together to create a world free of MS. Together we provide support, have fun, and make a difference in the lives of people living with MS.
